

## How to Use The Telephone

Did it ever occur to you that you might not be using the telephone in the right way?

Do you speak sideways, above, below, or six inches away from the transmitter of your telephone?

You should talk directly into the transmitter—not simply at it. Keep your lips about one inch from the mouthpiece. Speak in an even tone. It is not necessary to shout.

There is much that can be said about the proper way to telephone, but these little rules will help.

When you Telephone—Smile

The County Judge's office will be used as Rest Room for ladies. If a room can be obtained there will be a demonstration in Candy Making on Friday and Saturday afternoons.

### JUST HORSES.

Sore shoulders and consequently balky teams are the consequence of hard work during the busy months unless your harness fits properly.

The horse, young or old, that starts out to farm work in the spring, fat from the winter's rest, will, in one week of hard plowing work off some of this flesh and the collar that was tight becomes loose works up and down the shoulders and thus galls are formed.

Watch the collar and unless it is fitting tight either use an excess pad or a smaller collar. The latter is always preferable.

Don't make any sudden change in the feed.

Give hay to the horses first if they are warm. The grain, after they have cooled off.

## Paint Your Buildings.

Painting is not wholly a matter of ornamentation although it is worth all it costs for that purpose alone. Preservation of your buildings is of greater importance. It is economy to paint.

We have any quality of mixed paint you may want, at prices as low as can be found anywhere. Also if you prefer pure white lead we have it at bottom prices.

## Snyder Hardware Co.

LOUISA, KENTUCKY.

## Took First Prize!

Bread Baked from Flour Made by the New Big Sandy Milling Company, of Louisa, Won Highest Honors at the Fair. TRY IT. We do business Strictly for Cash and have cut prices accordingly.
